CALIFORNIA PROPOSITION 65 DECLARATION

This declaration is to inform SPIROL International's customers that products manufactured by SPIROL do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

The Act, commonly known as Proposition (Prop 65), establishes a list of chemicals which the State of California risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:

SPIROL will continue to monitor the Proposition 65 Regulations with the raw materials of our finished products and communicate the information to our customers.
